Please complete the printer queries and drop them off in my office as soon as possible. Junior Examiner's are to report these cases for advice and guidance to me no later than Friday, May 7, 2004. If you do not have the case(s) in your possession, I need to know immediately.

This is a list of Printer Queries that were still in the TC as of April 26.

The list is in Art Unit Order - Please make a special effort to follow-up with your examiners on these cases and get them back to PUBs asap.

Thanks, Bruce
